### WOMEN WHO WORK.

Sr. Louis, Mo., Aug 12. Though only 19 years old, I suffered from pains and female troubles two years. Last spring I got so bad I had to quit work. I had to support myself, and could not afford a high-priced doctor. I got one bottle of Wine of Cardui and that made me feel better. Have now used several bottles and am well. My mother used the Wine for Change of Life and was greatly relieved. MISS'MARGARET WALSH.

Their delicate constitutions are unlitted for tiresome tasks. Weakness nearly always makes its appearance in the peculiarly delicate womanly organs. Constant standing on the feet, and coming and going at the beck of a superintendent or foreman, induces falling of the womb, leucorrhoa, headache and backache. The pay of women workers is often so notoriously small that when sickness comes they have no money to engage skillful physicians. To them Wine

It cures them of their ills at a small cost, and they can act as their own physicians. No doctor can do as much for "female troubles" as Wine of Cardui.
